

## John W. Whitehead Cemetery

<http://www.dixiestones.net/details.php?listing=1025>

The John Whitehead Cemetery is located near the Tiger Valley community of Carter County. From Hampton, take Highway 19E (Stateline Road) and follow it about 3 miles. From 19E take Willow Lane to the right. John Whitehead Cemetery Road exits to the right from Willow Lane about a quarter mile from 19E. John Whitehead Cemetery Road makes a loop through the cemetery. Be mindful that there are homes located off this road as well. The cemetery is fenced and well kept. There appears to be no vandalism in the cemetery. This cemetery was transcribed by me in April, 2010 and it is a true and accurate transcription of the readable stones in the cemetery. I have edited these entries from other sources. Any information I have added will be in parenthesis. Information on the stones other than dates is included in quotation marks. For those persons that I feel are still living, I do not list date of birth information for privacy reasons. I will continue to update these transcriptions as information becomes available. For information purposes, I am descended from John W. Whitehead as follows:
