The cemetery and church can be seen from Interstate 459 and can be accessed from the Interstate by exiting onto Grants Mill Road. Take Grants Mill Road west toward Irondale and then make an immediate right turn onto Grantswood Road. Proceed on Grantswood Road about one half mile. The cemetery entrance is on the right.

This cemetery is located adjacent to the Grantswood Baptist Church in Irondale. The Grantswood Baptist Church was formerly known simply as the New Hope Church. (There is an older New Hope Baptist Church located in Birmingham and this may be the reason for the name change.)

This cemetery is owned and maintained by the church. This cemetery is in good shape and is well maintained. The oldest burial appears to be John M. Glass who was buried in 1918.

I completed transcribing this cemetery on Jan 11, 2007. It is a complete listing of all readable stones in the cemetery.
